

SMS Settings: During product import

in RanceLab® FusionRetail™ 6 through MS Excel sheet I want to keep the input text as same as they are in MS Excel sheet.

How to do it in RanceLab® FusionRetail™ 6?

Answers:

In order to keep the cases of the Product name, intact, please use the following steps...

1. Go to [Main Menu > Settings > Application Settings > Global Option \(T> A> G\)](#)
2. Set '**Change Input Text = No Change**'.
3. Save (F10)
4. Completely Logout from the software and close the application
5. Re-start RanceLab® FusionRetail™ 6

Note: Now all the input field of the RanceLab® FusionRetail™ 6 will be changed as per the setting.
