

Ledger and Group of Ledgers: Is it possible to print multiple ledgers in just one go?

Answer:

Yes it is very easy now to print multiple ledgers in just one go. Please use the following steps to implement this...

1. Go to [Main Menu > Financial Management > Reports > Ledger Report \(F> R> L\)](#)
2. Select any ledger from the list
3. Press **Ctrl + M** (or you may also use '**^M Prn Multi**' button).
4. It will open the list of accounts
5. Select multiple accounts from the list by using F8 button (you can also use F3 button to select all accounts).
6. Enter
7. It will generate a print preview.
8. Take printout by using the print button.
